Cloquet Educational Foundation News

Supporting Quality Education in Cloquet

The Cloquet Educational Foundation provides opportunities for academic, artistic, athletic, cultural, and social growth for children and youth in the Cloquet School District by financially supporting programs and activities.

The Cloquet Educational Foundation is committed to supporting the arts by funding two impactful initiatives. Funding was granted to "The Consortium for Native Composers" that commissioned Native American composer, Keith Secola to work with the CHS Band on an original piece of music. The partnership with Mr. Secola continued as the CEF granted funding for the CHS band to perform in the Twin Cities at the 2024 Minnesota Music Educators Association Mid-winter Clinic.

New, reliable, music stands were purchased for the CHS Music Department from a grant awarded by the CEF. The proper lighting is not only beautiful and complimentary to the music performances, but a needed additional for the students to see their music scores.

ALUMNI MAKE A DIFFERENCE

MaryJane Lundberg (Class of 1977 and CEF Board Member) and her daughter, Heather (Lundberg) Lisson (Class of 2005) are strong supporters of the CEF by volunteering at CEF events.

Studies show alumni make a huge difference in today's public high schools. Most alumni are proud graduates who celebrate their school and community by supporting the activities and programs they themselves were involved in, and in addition:

- Alumni desire to give back to their high schools
- Alumni want to reconnect with their classmates
- Alumni are still concerned about their community, even if they no longer live in the area
- Alumni like to inspire current students; 84% of students want to hear the college and career experience of recent grads and alumni
- Alumni are the connection between past and present

Look no further than these pages and you will find signs of alumni choosing to support the students of Cloquet right now. From gifts to the CEF to 50/50 drawings at reunions, CHS alumni are investing in the academic life of Cloquet Schools. The CEF enjoys the support of alumni serving as board members, supporting fundraising activities and providing valuable professional advice.

The CEF invites graduates of Cloquet High School to reach out and make a positive impact on education in Cloquet.

Plug In: The Cloquet School District strives to set itself apart with innovative programs and engaging areas of study, and the CEF supports them by funding grants three times per year. Check out the CEF website, www.cloquetedfoundation.org, find us on Facebook or search the Cloquet School District website (isd94.org) for more information about what is happening in the Cloquet education community.

Support: By giving a gift to the CEF your support will grow to impact generations of students. All gifts - large or small - are appreciated and critical to providing these opportunities. Donations to the Cloquet Educational Foundation do not replace school district responsibilities. They work to enhance district dollars to provide educational opportunities for students from birth to graduation. Consider a donation to an endowed fund, setting up a White Pine Legacy, or supporting one of our fundraising events.

Volunteer: Many alumni give the CEF support through their time and talents. They put the "fun" in fundraising by working at events, sponsoring teams at the golf outing or contributing to the annual Blue Jean Ball. Contact the CEF office if you would like to find out ways you can strengthen the CEF's ability to reach out.

Connect: We would love to hear from you! Connect with us directly by email (jacers@isd94,org), message us on Facebook, or login to our website.

THE CLASS OF 1973 ROCKS!

Thank you CHS Class of 1973 for supporting the CEF by sponsoring a raffle and 50/50 drawing at your last reunion. The CEF in turn used the funds to sponsor a fun game and a fantastic table at the Blue Jean Ball that raised over $1,500. Thank you for thinking of the current students of Cloquet, your generosity to the Cloquet Educational Foundation and for providing a fun opportunity for the guests of the Blue Jean Ball.

CEF Funded Programs Make a Difference

CMS teacher Jennifer Gagner and Farrah Grimm's 7th Grade Science Class: As part of the "Human Body and Metabolism" unit, 200- 7th grade science students participated in a hands-on experience dissecting frogs while comparing what they found to the human body. Funded by the CEF, this experience went above and beyond, and will help the students mark several state standards, as well as provide lifelong memories of with their peers.

The Ripsaw Robotics Team, 2024: Part of the FIRST (For Inspiration and Recognition of Science and Technology) program, the CHS Ripsaw Robotics program inspires students to create, imagine, and compete in the areas of technology and teamwork. The CEF is proud to support this program as they use their skills and hands-on experience in real-life engineering activities that could lead them in meaningful careers in the future.

CHS Concert Choir attending the Lion King in the Twin Cities: In April, the CHS Concert Choir went on the first trip they have been on in over a decade. While in the Twin Cities, they collaborated with other schools, worked with clinicians, visited museums, and attended The Lion King at the Orpheum Theater. The CEF sponsored every single ticket to this show. *"We are incredibly grateful and had an amazing trip." Rhonda Card, 7-12 Choir Director*

THE 22ND ANNUAL BLUE JEAN BALL:

AN EXTRAORDINARY NIGHT OF FUN, CELEBRATING EDUCATION IN CLOQUET

The CEF hosted the 22nd Annual Blue Jean Ball on Saturday, February 3, 2024 and raised over $30,000 in support of education in Cloquet. It was an extraordinary night as guests enjoyed fun and games, auctions, and fabulous table decorations. The success of this event is due in part to exceptional volunteers of the foundation who spent hours making the evening special. Words are not enough to thank the Cloquet community for their continued support of the CEF and its mission to provide opportunities to the students of the Cloquet School District. Plans for next year are already underway!
