Mission Statement:

The Cloquet Educational Foundation, a 501 (c)(3) non-profit organization, provides opportunities for academic, artistic, athletic, cultural and social growth for children and youth in the Cloquet area by financially supporting programs and activities.

About US

The Cloquet Educational Foundation believes an ideal community promotes educational excellence by supporting learning opportunities for children-in the classroom and beyond-so they can develop into healthy, productive adults.

Our purpose is to secure funding for educational opportunities for Cloquet students from birth through high school graduation. We work in partnership with the Cloquet Public Schools and the community to accomplish goals.

Our funding does not replace school district responsibilities. It works to enhance dollars by providing necessary support for prioritized educational initiatives and creative and innovative programs.

I got the memo this morning honoring the recent retirees from the district and staff who have made the 10 year and beyond milestones. These folks have made their mark on education in Cloquet in all sorts of ways. All I can say is WOW and thanks for supporting our kids! As a product of the Cloquet School system, I remember many of these professionals. Some are my friends. Many of them taught my two kids, and yes, even one I graduated from high school with (shout out to Kay Gerlach, *Rock On* class of 1986).

I have few words to thank you, only to say that your work didn't go unappreciated through these many years. You are part of the fabric that makes our school system so successful, and for that we are grateful.

For those that are staying on to reach more milestones in the district, have a great summer, and see you next year. For our new "retirees", I wish you a well-deserved summer of rest, relaxation and fun plans for the future.

You all are simply the best.

Retirees: Mark your calendars for a fun morning of conversation and coffee!

We **gratefully** recognize our friends Dan and Kelly Lundquist of Gordy's Hi-Hat and Warming House for providing the sweets and beverages for this morning. Thank you Dan and Kelly!
