Supporting Quality Education in Cloquet

Cloquet Educational Foundation provides opportunities for academic, artistic, athletic, cultural and social growth for children and youth in the Cloquet School District by financially supporting programs and activities.

CEF's collaboration and teamwork in the district has come full circle

The Cloquet School District has a new emphasis on the Industrial Arts program offered at CHS. On a recent visit to the CHS Lumberjack Design and Fabrication classroom it is clear there is an abundance of inspiration, creativity, technique and enthusiasm. According to Michelle Wick, CHS teacher and CTE (Career and Technical Education) Program Coordinator, one of the goals is to collaborate and support the fabrication needs of the district and community. She works with Industrial Arts teacher Dusty Rhoades to teach high school students' relevant skills for "real-world" solutions, as well as finding ways to collaborate within the high school departments to enhance the overall curriculum. It is remarkable how the students have embraced the cutting-edge skills of the 21st century- lasers,

high-end printers and work with CAD design programs alongside time-honored skills such as carpentry, design, hand-finishing and safety.

The CEF, which recently funded a Direct to Garment Printer to the program, is now the recipient of some of the students' fine work. A few Lumberjack Design and Fabrication students have designed and crafted a "Lumberjacks vs. Vikings" KUBB lawn game to be used for auction at the 21st annual Blue Jean Ball, February 4, 2023. (Kubb is a Nordic lawn game of strategy, a cross between bowling and horseshoes.)

Thank you to Mrs. Wick, Mr. Rhoades and the students of Lumberjack Design and Fabrication Studio for your collaboration and teamwork in support of Cloquet education. We look forward to seeing more from you!

Second in State. 1963 CHS boys' state championship basketball team.

Howard Lavick, CHS Class of 1964, is looking for folks to share their experiences with him about the historic 1963 CHS boys' state championship basketball game. Lavick is working on a YouTube documentary called "Beyond the Prize," which tells the inspiring story of the CHS boys' basketball team and their trip to the Minnesota High School State Tournament. The trip culminated in Cloquet playing in the championship game against Marshall, Minnesota. The game ended in a heart-wrenching loss for Cloquet, but the story doesn't end there.

The enduring and inspiring events of 1963 encompass much more than one championship game. It is about bringing home the win, even when the scoreboard would indicate otherwise.

It is a story of teamwork, being the underdog, athleticism, community support and so much more.

The film is currently in production and can be viewed on YouTube – *Beyond the Prize*. The finished product will be an inspiring video of this historic event to be offered to sports teams, high school students, and community groups.

We look forward to the finished project in 2023, the 60th anniversary of this remarkable game.

Read the full story here.

ANY HOME MOVIES or ACTUAL PHOTOGRAPHS (vs. Newspaper clippings) of the 1963 Cloquet boys' basketball season, especially:

1. The Cloquet basketball team, players, coaches, cheerleaders etc.
2. The state tournament games at Williams Arena - especially the championship game against Marshall
3. The welcome home crowd that greeted the team in the old co-op parking lot.
4. "The Holy Grail" - a video copy of the championship game that was televised throughout the state.

Please spread the word to families and classmates! Howard is hopeful that even after 60 years, some footage of the game still exists. Since there is a timeline to the film. Any questions or comments please direct them to Howard Lavick at ganeesha99@hotmail.com.

Many thanks in advance!

The CEF is proud to announce the following programs and initiatives were granted funding at the Fall CEF Board meeting, Tuesday, October 4, amounting to over \$25,000 in support of education in Cloquet.

Congratulations!

CEF Supports CHS Band

The CHS Band is "on the road" this spring! The group plans to spend Spring Break '23 visiting and learning in St. Louis, Missouri, Nashville, Tennessee and places in between. A CEF supported trip, we are eager to hear about some of the events,

CHS Band

including a musical clinic with the faculty of Vanderbilt School of Music, a performance in the Grand Ole Opry House Plaza, a visit to the National Blues Museum and the bonding between fellow classmates.

The CHS band enjoys a long and strong history of sharing their spirit and talent. For decades the CHS band has traveled with our teams to state tournaments, and often to locations around the country for parades.

1988 Pep Band at State gives special spirit during the tourney.

Reunions are a time of connection, fun and “coming home”

Fun and friendship were in the air this summer as Cloquet welcomed back the classes of 1962, 1972, 1982, 2002 and 2012. It was good to see the various classes having fun and expressing an interest in what current Cloquet students were doing. Many “former Lumberjacks” took generosity a step further and raised money for the CEF while they were together. THANK YOU for sharing your photos, for the invitations to join you as you celebrate, and for your continued support of education in Cloquet. It was a great time to connect.

Class of 1982

“Shout out” to the CHS Class of 1982 who are putting together a basket for the Blue Jean Ball in 2023.

Twenty-four teams enjoyed a beautiful Northern Minnesota day in support of education on Monday, August 1, raising over \$10,000 in support of education in Cloquet. The CEF Board of Directors are thankful for the support from the community! Winners of the trophy this year was Uptown Funk.

Dick Brenner came out for fun on the links in support of the CEF.

Team Uptown Funk took home the trophy! Captained by Dustin Nelson, the team sailed through to the championship with an impressive score of 55. Congratulations on your win: Dustin Nelson, Keegan Poppenberg, Dan Baier, Mark Heehn, and Steve Fiske.
