Supporting Quality Education in Cloquet

The Cloquet Educational Foundation provides opportunities for academic, artistic, athletic, cultural, and social growth for children and youth in the Cloquet School District by financially supporting programs and activities.

"An example of all the good that the Ed Foundation is doing. When we have teachers who use activities like this to teach our children, they learn so much. Thank you, Mr. Winbigler."

– Gail Gilliland, former Cloquet educator

A NOTE FROM LAURA HANSEN, PRESIDENT OF THE CLOQUET EDUCATIONAL FOUNDATION:

The 2023-2024 school year is upon us. Fall sports are winding down, winter sports will be here before you know it and this is the "busy season" here at the CEF! The Board awarded more than $40,000 in grants at our board meeting in October, and we are on track to award more in the winter and spring.

I am Laura Hansen and this is my sixth year on the CEF Board. Currently I serve as this year's President. I continue to be amazed with the community support we receive for education in Cloquet.

We are an active family! My oldest is in his second year at Lake Superior College, my youngest is a junior at Cloquet High School, and my husband and I work at Reliable Insurance. We all find time to support the many activities the school district has to offer; many of them sponsored by the CEF.

I spent a lot of time volunteering at Churchill School when my boys were younger as PIE President for a couple of years. I then felt fortunate to be asked to be on the CEF Board in 2017, giving back to the school district that has given so much to our boys, their friends, and our community. It is a huge honor. As a CEF Board Member I still volunteer in the Cloquet School District. The annual Golf Tournament and Blue Jean Ball are my favorite CEF events, as these events help us raise money so we can support grants for the students in our elementary schools, middle school, high school, and CAAEP. In my six years involved in CEF, the amount of money we have granted out to the district still amazes me. This would not be possible without the support of the community! On behalf of the CEF Board of Directors, thank you to the community for supporting our Cloquet students. Thanks to the school staff for bringing us your ideas for the grants. Thank you to all the CEF board members for the work you put in to supporting excellence in education. When we all work together, good things happen in our schools.

I look forward to working with all of you as the 2023-24 school year continues!

In 2023, a dozen eggs were a hot commodity, precious enough that they were auctioned off as a Silent Auction item. What a hit! They fetched over $100 in support of the CEF.

DID YOU KNOW that you don't have to be living in Cloquet to support the 22nd Annual Blue Jean Ball? We have many alumni who have generously donated fun get-a-ways and unique experiences for the LIVE AUCTION at the event. We are grateful for ALL of our auction sponsors from 2023 including alumni Dan Esse, Jason Backe and Ted Gibson, Mark Cool, Cameron and Ann Lindner, Nicole Wheale, Riley Leslie, and Christine Bondi, just to name a few! If you have something you would like to donate- the more fun or unique the better- contact the CEF office. We rely on the support of friends and alumni to make our event a great success.

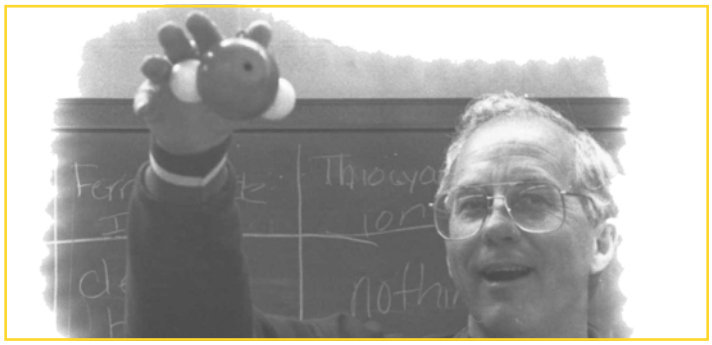

Del Prevost and John Lind do "double duty" at the Blue Jean Ball 2023 as entertainers and auctioneers.

The Cloquet Educational Foundation is honored to announce two additional Named Endowed Funds:

THE RON AHLGREN EDUCATION FUND

The family of Ron Ahlgren has established a fund with the Cloquet Educational Foundation honoring Ron Ahlgren and his commitment to education in Cloquet. The "Ron Ahlgren Education Fund" serves to inspire generations of Cloquet students in the rewards of learning, especially in science. Awarded "Teacher of the Year" several times, Ron was a "mentor and guiding light" and fondly remembered by hundreds of students.

A Celebration of Life was held this summer at Ron's beloved home on Big Lake; attended by family, friends and community members who remember Ron's love of life, his devotion to his family, and as a remarkable educator.

CEF wishes to thank the family of Ron for choosing to honor his memory with a Named Endowed Fund dedicated to Ron and his legacy for excellence in education.

THE CLASS OF 1962 MEMORIAL FUND

Recently, the CHS Class of 1962 met to celebrate their collective "milestone birthday" and to connect once again after the fun and joyful time they had at their reunion in 2022. According to Bob Johnson, these classmates "found out they enjoyed each other's company."

As the Class of '62 spent more time together, they decided they wanted to do more to honor their class and were inspired by the various class funds already established with the CEF. Shortly after their gathering last summer, they secured the funding and insight to form the Class of 1962 Fund.

This group of exceptional Lumberjacks realized their class benefited from many unique an worthwhile educational opportunities when they were students and wanted to follow that up with a commitment to quality education for the children of today and the future by establishing this fund.

Thank you Class of 1962 for your generosity and sharing your "lumberjack" spirit.

THE CLASS OF 1973 WASN'T KIDDING AROUND

When the Class of 1973 reached out to the CEF and offered to raise some funds for the Foundation through a silent auction and a 50/50 drawing at their reunion, they weren't kidding around! The Class of 1973 reunion was held last September and was well-attended. Thanks to the energy of the organizers and the generosity of the alumni present, they raised over $1,000 to sponsor a table and a fun money-raising activity at the 22nd annual Blue Jean Ball. Their "seed money" will go on to support many educational opportunities for the students of Cloquet Schools today and in the future. Thank you for thinking of us Class of 1973!
