# Carol (Johnson) Bromme Endowment for Arts and Education

A native of Cloquet, Carol hailed from a family of dedicated teachers and role models for education. She was the daughter of Garfield Elementary School teacher Katherine Johnson and sister of retired Sheboygan, Wisconsin high school instructor Bob Johnson. Carol graduated from Cloquet High School at age 16, and earned her B.A. in Home Economics, with honors, from the University of Minnesota Duluth at age 20. Marriage to her CHS sweetheart Robert Bromme—himself a high school and college educator—soon followed. Carol had a keen interest

in the arts that was inspired by her aunt, Dr. Gertrude Esteros—the longtime head of the University of Minnesota College of Design. In turn, Carol instilled in her children a deep love of the arts and interior design. As a wife, homemaker, and mother of three, Carol found time to run a popular seamstress business for many years. She was well engaged in her community and enjoyed several years as an adjunct instructor at Moorhead State University. Carol's family is grateful for her guidance in the arts and education and proud that she leaves that legacy.

## Lumberjack Lessons:

### Jennifer Fagre-Golya: Mighty Lumberjacks do outstanding work

Class of 2005 graduate Jennifer Fagre-Golya found a love and a passion for music early in life, playing violin in the Cloquet High School orchestra. She credits two CHS teachers for their influence in her talents and passions as a student: Former orchestra director, Rosemary Jones and science teacher Pete Myhrwold. With their encouragement, Jennifer took her skills, passion and love of music to pursue education and a career in the field.

Jennifer Fagre-Golya

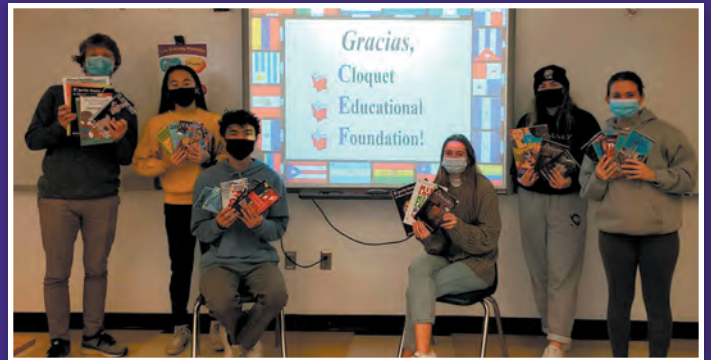

She earned a PhD in music composition from UCLA and teaches music courses at various colleges in southern California. She is also a highly active freelance musician, working in the Los Angeles area and worldwide. In addition, she works with many classical and film composers as an orchestrator, in music preparation and in thematic copywriting legal sector. Most recently, she worked on the 2022 Oscars, assisting in production of all sheet music for the short excerpts played for every movie award presentation.

Cloquet Lumberjacks are indeed mighty- mighty talented!

## ¡Gracias!

Spanish Class 1965

Spanish Class today

### ¡Gracias, Cloquet Educational Foundation!

Many students take Spanish at Cloquet High School (over 300) and of those students, about 100 are in the college level classes (III & IV). These students now have more resources to learn Spanish while reading about the Spanish speaking world!

## LEAVE A LASTING LEGACY...

We all want to impact the world in a positive way and leave it a little better because of the things we did. Members of the White Pine Legacy are doing that by including the CEF in their wills and estate plans. By becoming a member of the White Pine Legacy, you will be providing a future gift that will leave a lasting legacy of education for many generations. Get started by checking out our website at [www.cloquetfoundation.org](http://www.cloquetfoundation.org), scanning the QR code, or contacting our office at 218-879-3806.

## CEF Blue Jean Ball

After a year "off" due to Covid, the annual Cloquet Educational Foundation's Blue Jean Ball was a huge success. The event, held Saturday, February 5th, was widely attended by the community in support of excellent education in Cloquet. The event raised over \$45,000 in support, although the highlight was the opportunity to see folks gathered after several years of being apart.

Thank you to all who supported the CEF by attending the event, donating to the auctions or games, or volunteering your time. Thank you to the businesses and organizations who went the extra mile to make the tables look fantastic. The CEF is grateful to the Fond du Lac Band of Lake Superior Chippewa for their hospitality, the Black Bear Resort and Casino Staff for their hard work and Sappi Fine Paper for their sponsorship.

We value and appreciate the support of our community. For more information and photos, please see our Facebook page, our website ([www.cloquetfoundation.org](http://www.cloquetfoundation.org)) or use this QR code to access our "BJB Wrap-up Paper."

## "Invest In Kids" Sponsors

Donations from Invest In Kids Sponsors  
allow the CEF to maximize support of important  
educational experiences for our students.

Support from our *Invest In Kids* sponsors provides Cloquet students  
educational experiences that might not be possible otherwise.

When you do business with our sponsors,  
you are supporting our students and our community.
